

Crowds of City Folks and Country People Are Saving Lots of Money at the Beet Harvest Sale

ALL of the glass windows in our Twenty-fourth street front were broken last night by the heat from the fire in the Eccles building, as a result the Beet Harvest Goods Sale displayed in those windows have been removed—but inside the store the Great Beet Harvest Sale goes on as merrily as ever. There will not be a sale in the year that has so many attractions—especially attractive now because the reductions come just when the goods are most wanted. Sale continues Monday, Tuesday and Wednesday of next week.

Never Before Were Cloaks and Suits So Cheap

Think of our having six hundred suits and equally as many coats on hand at this late date... That's the main reason for the stupendous price reductions which are now in effect... Here's only part of the story—visit the Second Floor—see the reductions.

One Hundred Ladies' Black Coats at Half

One hundred good plain tailored coats—no gingerbread—just good broadcloth lined with satin—in most cases the lining is guaranteed satin... The regular prices are up to \$35. Sizes 32 to 46... The sale price will be JUST ONE-HALF of the marked price.

A Hundred Fall Suits Go on Sale at \$9.95

There'll be a hundred splendid suits in this lot which go on sale today at \$9.95. Every suit is this year's model—and when we say that they were priced up to \$25 we mean that they were considered cheap at that price—have a look at these serviceable suits today.

Dainty Party Waists to Close at \$2.95

There are probably no two alike in this lot of party waists which will be on sale today on the Second Floor... Jap silks—taffeta silks—nets—handsomely trimmed. Waists you'll want for parties, theaters, etc... There are some in the lot which are \$7 values... Choice at \$2.95.

Girls' and Ladies' Coats Worth to \$20 for \$10

One hundred good warm coats for girls and women—all sizes. The materials are polo cloth, double-faced goods, two-toned effects, mixtures and plain chevrons—some are lined throughout with satin. The values are up to \$20... Offered now at \$10.

Girls' Stylish Coats Worth to \$12 for \$4.95

Because these coats were used as samples we offer them at \$4.95, instead of \$12, which is the actual value... These are good looking coats of this season's styles—for girls of 10 to 14 years... There are fifty styles to select from... \$4.95.

Pick of Any Suit at Clearance Prices

Every suit in the house at a cut price to effect a quick and complete clearance... Same reason—backward season—and now we apply drastic price reductions to suits which were marked at low figures in the beginning... No matter what kind of a suit you are looking for, the price will be very much less.

Sale of Children's Headwear

Dainty little Hats for the little girls... New fall models in the children's millinery department. In order to make a quick and complete clearance of this line of merchandise the prices are reduced 20 per cent.

\$4.95 for Fall Waists worth to \$10

The Beet Harvest Sale makes possible a saving of more than half the price of pretty fall waists, worth to \$10. These are chiffon and silk—some with over waists on plain silk—some have the new braided trimmings—waists in light and dark colors, beautifully made—all absolutely new styles—all sizes—\$4.95.
